BRINGING YOUR

VISION

ALIVE

We are Live. We specialise in transforming a space into a dynamic experience.

Our mission is to transform spaces by delivering specialised solutions to an elite portfolio of government institutions and world renowned companies. We deeply understand both the local and international markets, delivering on projects from groundbreaking research and development facilities to large scale commercial ventures.

Our production units are equipped with advanced machinery to ensure the highest quality and efficiency. We are dedicated to our position as a leader, consistently updating our systems and empowering our team with professional development.

WHAT SETS US APART

We deliver integrated excellence, a seamless synergy where every phase, from fit out to MEP, operates with a shared commitment to perfection. Our foundation is a proven legacy in the GCC, built on the core values of integrity, innovation and reliability. We empower every team with cutting edge technology and cultural intelligence, ensuring unparalleled precision and turning visionary concepts into impactful, flawlessly executed realities. This multidisciplinary powerhouse operating under one roof is what sets us apart, delivering smarter, safer and stronger spaces.

OUR CORE VALUES

We have built Live Group on the foundation of our core values: Integrity, Innovation and Reliability. Every project is a testament to our team's dedication to delivering the highest quality.

INTEGRATED

EXCELLENCE

Our strength lies in our integrated approach, where each division operates with a shared commitment to excellence. This synergy allows us to deliver end to end solutions that are truly unparalleled in the market.

TECHNOLOGICAL

EDGE

We invest in cutting edge Advanced Equipment and harness innovative technology to bring visions to life with unparalleled precision.

A PROVEN LEGACY

We serve as the backbone for some of the GCC's most prestigious projects, backed by international experience and a consistent track record of success.

UNWAVERING DEDICATION

Our team's professionalism and deep commitment to Health, Safety and Environment (HSE) ensures every project reaches its full potential.
